Frankford Arsenal Perfect Fit Reloading Tray

Superior to the generic, "one size fits all" reloading trays on the market, Frankford Arsenal offers 12 different trays, each sized to a particular family of cartridges from 25 ACP to 500 Nitro. The stackable Perfect Fit Reloading Trays are made of a lightweight composite material that will not break down from case lubes, solvents and other chemicals, providing years of service to the reloader. Trays hold 50 rounds except #9, which holds 45 rounds. Easily cleanable with warm water and mild detergent. For a perfect fit, see the application chart, check our website or contact us.
